Cheque payable to	
Transportation Data	will be completed on receipt of paid Invoice
Bus Line	
Number of buses	
Invoice #	
Invoice Date	
Invoice Amount	
Subsidy Amount	

The Sir Frederick Banting Legacy Foundation is pleased to offer a bus subsidy to assist with the cost of transportation to our site. We are able to offer this subsidy to any school, up to a maximum of **\$150.00/bus**. Please indicate at time of booking that you require a subsidy, as they are available on a first come, first served basis. We encourage teachers to book their tours as early as possible. Please note it is the school's responsibility to arrange transportation.

If you require a subsidy, please submit this form with your Tour Reservation Form. Once you have booked your tour, you will receive an email confirming your reservation and subsidy available.

Please note that we can only reimburse your school **after** you have visited the site. Please provide an invoice from the bus company indicating the date and cost of your visit, as well as the name of your school. Without this information, we have no way to process your subsidy.

Please bring the Invoice with you on the Tour Day or mail it to the following address:

Sir Frederick Banting Legacy Foundation
